Welcome to El Dorado Physical Therapy!

Attached is our Patient Registration paperwork. Please print and bring your completed packet to your first appointment. You should arrive at least 15 minutes prior to your scheduled appointment time.

When you arrive for the evaluation please come to the Reception Desk and have with you:

1. Your completed registration paperwork packet
2. The referral/prescription from your physician.
3. Your insurance card(s) and a picture ID.
4. Any copays or referrals as required by your insurance company.

Please have all of the above items with you when you arrive or it may be necessary to reschedule your appointment.

Prior to your evaluation being scheduled your primary insurance will be verified and if necessary authorization obtained. Any secondary insurance plans will also require verification and authorization. We recommend that you call the Member Service department at your insurance company and verify what your responsibilities may be regarding copays, deductibles, referrals, etc. Please remember that benefits quoted are not a guarantee of payment per your insurance.

After the evaluation has been completed, the therapist will discuss with you a treatment program.

If you have any questions, please feel free to contact your treating clinic. We look forward to seeing you!

Sincerely,

El Dorado Physical Therapy
